

Dec. 17th, 1963

Mr. Thomas Ladson
Olney, Md.

Dear Sir:

We have finally gathered together the fifteen men that are necessary to apply for a regional charter for AACA, and have collected the dues from them for the year 1964. I will inclose a check for \$91.00 to cover the new members and the renewal money for those of us that are former members (1963)

I assume that the old members signature on the new members will suffice for the recommendation of our new members.

As you may realize, we are anxious for your approval of our application at your earliest convenience.

Members for 1963: Everett Stanley Jr. A 1259
David L. Morton, Jr. A 1160
Hillyer Rudisell III
David N. Singer.

(I don't have the numbers for these last two men as they have misplaced their cards.)

If we are short on any necessary information I trust that you will let me know as soon as you can so that I may get it into you.

Respectfully: *David L. Morton Jr.*

Director
